Boating Safety Tips

- Alcohol, drugs & boating do not mix.
- Observe no wake zones (5 mph or less).
- Operate boat in counter clockwise direction of the lake, keeping the shoreline off your right shoulder.
- Before towing persons, you must have boat operator, observer with ski flag, flotation devices for skiers or tubers. Never ski at night.
- Sit in seats only, do not sit on gunwale (side of boat) transom, bow or back of seats.
- Children age 12 & under must wear life jackets at all times.
- Turn off engine when persons are in the water to avoid propeller injuries to your family or guests.
- Remember—boats do not have brakes. Slow down well in advance.
